Artist: Lee Blue

Intro:

1 2 3 4 1 2 3 4 (x2)

Verse 1:

I wouldn't know why You would 3 4

Leave Heaven to walk this land

I wouldn't how You could 3 4

But You loved us

While we pierced Your hands

And while You shed Your blood

You were praying

You were praying for us!

Verse 2:

Like Peter I said I will fight 3 4

I'll fight for You to the very end

But when the battle comes 3 4

I fail over and over again

But You always heal my heart

And lift me up

For a brand new start

Chorus:

I know what grace is

And I know the heart of my King

Your blood erases

Every single thing

That came between us

Oh, thank You Jesus

Your love is everything

Ending:

There's nothing between us

Oh thank You Jesus

Your love is everything
